

## Standard Operating Procedure Refuse Disposal Division

### Emergency Procedures

## Vehicle/ Aircraft Accidents

### Vehicle:

1. Check for injured persons.
2. If there are injuries, do not move the involved vehicles unless they pose a hazard.  
**\*Note** – If the accident/injury is minor, move vehicles away from traffic lanes.
3. Contact the Police Department via Station 38 or by dialing 911, as well as the Disposal Site Supervisor.
4. Secure the area, provide traffic control, and address any immediate concerns (i.e., fuel spills, exposed waste, injuries, etc.)
5. Get the name and address of all persons involved.

### Aircraft:

In the unlikely event that a military aircraft should crash on site at the West Miramar Landfill:

1. Secure the area and provide traffic control.
2. Notify Station 38, as well as the Disposal Site Supervisor.
3. Await the arrival of appropriate emergency personnel, military personnel, and/or NTBS.

**Benefit of Compliance to Procedure:**

- Both victim and employee's safety is protected

**Consequence of Non-Compliance to Procedure:**

- Injury to employee
- Further injury to victim
- Face potential legal action
